

# Performance-driven contractor grade accessories.

Meyer Products offers a complete line of contractor grade accessories to make plowing lots, offices, roads or any large area easier and faster. Each is designed and manufactured to stringent specifications so they fit your Meyer plow perfectly and keep it operating at peak performance.

**Meyer® Diamond Edge Reversible Cutting Edge Bottom-trip** improves performance and durability. Gives your plow an extra edge when cutting hard, packed snow and ice. Reversible to extend wear life.

**Rubber and Polyurethane Cutting Edges Full-trip** produces excellent results on wet or unpacked snow. It's reversible for extended wear and won't mark or score driveways or parking lots.

### Boxed Wings

These optional fixed position wings are the perfect addition to Meyer Lot Pro moldboards. They make quick work of snow trails and other areas that need a quick clean-up.

Lot Pro: #08104

### EZ-Wing™ FPs

Adds additional length to your Meyer Lot Pro moldboard, so you can move more snow in less time. Easily attaches with pre-drilled holes and quick connect bolts.

Lot Pro Steel: #08100  
Lot Pro Poly: #08110  
C-Series: #08888

### Multi-position EZ-Wing™ MPs

Can easily be positioned in boxed, straight or scoop positions, up to 9 total configurations. Adjustments can be made "on the fly" to meet varying snow conditions. No tools needed.

Lot Pro Steel: #08105  
Lot Pro Poly: #08115

### Joystick Controller

Operates with straight blades and V-Plows. Controller is illuminated and equipped with self diagnostics. #22790X

### Pistol Grip (Standard) Controller

One button functionality and self diagnostics ensure worry free operation of all plowing functions. #22690X

### V-71 Universal Pistol Grip DLX Controller

For Meyer V-blade and straight blade plows. "Smart" button technology activates the necessary buttons as you switch from plow type to plow type. Includes self diagnostics. #22869X

### V-70 Universal Pistol Grip DLX Controller

For Meyer V-blade and straight blade plows. "Smart" button technology activates the necessary buttons as you switch from plow type to plow type. Includes self diagnostics. #22695X

### Touchpad Controller

Perform all plow movements for straight blade plows with the touchpad control. #22154

**Plow Carts**

Moving and/or maneuvering a fully assembled plow can be a difficult task. However, with the Meyer EZ-Cart, moving a plow is easy.

**Meyer® Heavy-Duty Molded Snow Deflector** deflects snow flume down and away from your windshield. Available in specific sizes to fit all Meyer moldboards. Kit comes ready to install.

**Meyer Commercial Curb Guards** are made from specially hardened steel and are powder painted for longer life and durable performance. Designed exclusively to mate with the curvature and contour shape of Meyer moldboards for a perfect fit. #08344

**3" Brass Lock Pin**

Conveniently secures hydraulics and lift frames. #07695C

**Touchpad Leg Strap**

a perfect complement to any controller, the leg strap keeps the controller close at hand. #22265C

**Whelen Lights/Alarms**

Are available in select styles and can easily be added to new or existing vehicles to increase your safety when plowing in congested or busy areas.

**Timbren Suspension Enhancement Systems**

help reduce sway, improve roll stability, cushion road shock and enhance the handling of your 4 x 4.

**Meyer® Winch Cradle** gives you four-season functionality. Simply replace your snow plowing equipment with the Winch Cradle during the off-season to keep your truck productive year-round. Fits most winches with a 10" x 4.5" bolt pattern, including most Warn® and Ramsey Winch models.

# It pays to keep your Meyer ALL Meyer.

Meyer Genuine Parts are designed to fit properly and perform better and last longer – which means you save money by replacing fewer parts less often. In addition, all Meyer Genuine Parts:

- › Comply with Meyer specifications and technical standards
- › Maintains the warranty on your original equipment
- › Fit perfectly and reduces installation time
- › Guarantee original equipment quality

Look for the Meyer name on all your replacement parts.

## See your local distributor for the full line of parts and accessories.

**Driveway Markers**

Made of sturdy fiberglass, their fluorescent orange color make them highly visible during a snowstorm or after dark. #03240 (qty. 100 markers)

**Meyer® M1 Hydraulic Fluid and M2 Hydra Flush**

Keep your Meyer electric hydraulic control system operating at peak performance. Flush in the summer with M2 and replace with M1 for the winter.

**Meyer® Dielectric Grease**

Meyer's dielectric grease is specially formulated to coat and protect electrical connections from deteriorating elements such as salt and road grime. It is recommended to coat all electrical connections prior to winter and each time you re-connect to ensure optimal performance. #15632

**Genuine Parts Kit**

The Genuine Parts Kit includes the most commonly requested Meyer parts. Everything comes pre-packaged in a sturdy tool kit. #08823-Plus / #08824-Classic

**Industrial Sno-Flo® Paint**

Specially formulated to improve snow-rolling action. Aerosol spray available in Gloss Yellow, Gloss Black and White Primer. Gloss Yellow also available in 1-quart can. See web for details.

**EZ-Mount Xpress and EZ-Mount Plus Brush and Light Guards**

Offered as an option with the EZ-Mount Xpress and Plus Mounting systems. The brush guards give the front end of your 3/4 ton Ford, Chevy or Dodge pickup truck a sleek, stylish look. See web for details.

**The Big Yellow Box**

The Big Yellow Box by Meyer is perfect for storing rock salt, sand, chemicals, tools or anything you need to keep dry and secure. #32403
